Who We Are

Atlantic Data Security (ADS) is a trusted cybersecurity partner with over 25 years of experience delivering tailored solutions to organizations across industries. Our mission is to protect, manage, and optimize your cybersecurity environment, ensuring robust defenses against today's evolving threats.

Our Partnership with Red Canary

As an authorized partner of Red Canary, we bring their industry-leading Managed Detection and Response (MDR) platform to our clients. Together, ADS and Red Canary deliver unparalleled security expertise, advanced threat detection, and proactive incident response to help safeguard your critical assets.

Let's Secure Your Organization Together

ADS and Red Canary are committed to delivering the highest level of security and peace of mind for your organization. Contact us today to learn more about how we can help protect your business from ever-evolving threats.

Red Canary: Managed Detection and Response

- **24/7 Monitoring:** Red Canary's platform continuously monitors your environment to detect threats in real time.

- **Threat Intelligence:** Leveraging industry-leading threat intelligence, Red Canary identifies and responds to threats faster than traditional solutions.

- **Rapid Response:** Red Canary's expert team works to neutralize threats, minimizing downtime and impact on your business.

- **Seamless Integration:** Easily integrates with your existing tools, including SIEMs, EDR platforms, and cloud environments.

ADS' Comprehensive Cybersecurity Services

- **Risk Assessments & Compliance:** Identify vulnerabilities and ensure alignment with regulations such as GDPR, HIPAA, and PCI-DSS.

- **Proactive Threat Hunting:** Go beyond detection with proactive measures to identify potential threats before they escalate.

- **Incident Response:** Rapid containment and recovery from breaches or attacks.

- **Tailored Security Solutions:** Leverage our partnerships with leading vendors to build custom solutions for your organization.

- **Managed Security Services:** End-to-end management of your security operations for consistent protection.

Why Partner with ADS & Red Canary?

- **Comprehensive Protection:** Combine Red Canary's MDR expertise with ADS's holistic security offerings.
- **Proven Expertise:** Decades of experience in cybersecurity, working with organizations of all sizes.
- **Customized Approach:** Tailored solutions that fit your unique needs and security goals.
- **Continuous Support:** 24/7 monitoring, proactive management, and expert guidance every step of the way.
